Chip,

Sure, I'll be happy to share information with you. What I think is the relevant-to-you information we have is:

- 1) The Port's Beneficial Use Determination (BUD) Application to DEQ (which includes text figures & tables) for both T5 & PO Bar,
- 2) DEQ's BUD Evaluation Report for each of the 2 efforts, &
- 3) DEQ's BUD letters to the Port for each effort.

Let me know what you want.

Jim

Jim

When we met yesterday you mentioned that DEQ had some information that

would be presented at the meeting or that had been prepared as

background for DEQ's determination, and you'd be willing to share some

the information. I'm interested in looking over the materials so I can

update Tony Barber, Jonathan and others around here.

thanks

Chip
